NEWSLETTER
FEBRUARY 2022
ISSUE 001

Registered Charity 1116287

The first newsletter of 2022 provides a short update on the activities of the charity and very quick ways you can help.

Finance Update The end of year accounts showed we received £684 in donations in 2021, a great achievement given obvious Covid restrictions on fundraising. We spent just over £1,500 on much needed equipment and tools for the college. Hopefully we can increase our fundraising in 2022, to match the college's needs.

What's On? We'll be running an online raffle this Easter, with tickets drawn on the last day of term, 1 April. Be ready to enter, but before then...do you know any local businesses who might donate a prize? Please reach out.

Recent Purchases

Members of the Student Council show the new storage & charging trolley with capacity for 30 laptops & tablets, which the charity recently agreed to fund to the tune of £750.
