

Anglian Learning is an ambitious, forward looking multi-academy trust. Our members share the firm belief that all young people deserve to have access to an excellent education and exciting opportunities which in turn will help prepare pupils to thrive in their local, national and global communities.

By working with like-minded schools, colleagues are prepared to share responsibility, through support and challenge, to ensure that all our schools can offer a vibrant and rich learning experience to all pupils, whatever their background and starting point.

This is reflected in Our Core Purpose of *Transforming Together* to enable inclusive and aspirational learning in every classroom, empower leaders across every academy, and ensure inspiring opportunities and educational success for our learners, people and communities.

**Jonathan Culpin**  
Chief Executive Officer

Pupils, their families and the wider community benefit directly from the resources, time and expertise given by the Trust. While each school retains its own unique identity and ethos, we are collectively passionate in our belief that we are stronger together.

Supporting each school in these efforts is our Central Team. This includes operations, finance, inclusion, HR, ICT, governance, curriculum development and more to enhance each school's educational offering. Academy leaders are supported and challenged by our Directors of Education through a series of Academy Improvement visits to develop the school's education planning and evaluation processes.

Sport and recreational facilities are provided for the community by Anglian Leisure.

I encourage you to visit our website and social media pages to see a true reflection of the inspirational achievements that take place throughout Anglian Learning.
