Principal Letter (21)

27th February 2026

Dear Parents/Carers,

We have had a really busy and successful week after a brief pause for half-term. It has been great to see students back into routines and learning well in their lessons. We have just 5 weeks of this half-term and it is going to be fast paced and packed full of exciting learning opportunities as we head towards Easter. The message I shared with the College community on Monday was about the importance of putting the most possible into this to get the rewards and I am sure our students will throw themselves into the learning opportunities coming up.

Monday saw the launch of our mobile phone pouches. Blue house have taken to these really well and we have had very few teething problems as we look to establish a distraction free space in school. As a consequence of this success, and due to a number of student requests we are now going to push ahead with issuing to red house next week. Please do provide us with any feedback on how this is working from your perspective as we continue to implement this approach.

Finally, I would like to thank you for your continued support as we navigate these updates to our college environment. Your partnership is vital in ensuring our students remain focused and flourish. Please keep an eye on the school calendar for upcoming events, including our Year 10 information evening next week.

I hope you and your families have a restful and enjoyable weekend, and we look forward to seeing everyone back on Monday morning.

Kind regards,

Ian Stoneham

Principal
