Principal Letter (23)

13th March 2026

Dear Parents/Carers,

It has been another busy and positive week at the College with a wide range of activities taking place both inside and outside the classroom.

At the start of the week we held our third Parent Forum of the year, focusing on curriculum, teaching and learning. Thank you to those parents who attended and contributed to the discussion. These forums provide a really valuable opportunity for us to share our thinking and gather feedback from families as we continue to develop the College improvement journey. The conversation was thoughtful and constructive, and we will reflect carefully on the points raised as part of our ongoing work.

This term continues to see strong participation in our extra-curricular programme. Our lunchtime and after-school clubs remain very well attended and it has been great to see so many students taking part in activities ranging from sport to music, reading and a range of academic enrichment opportunities. Alongside this, we have a number of sports fixtures taking place over the coming weeks with teams representing the College across several year groups. We are very grateful to the staff who give their time to run these opportunities and to the students who represent the school with such commitment.

A particular highlight this week saw the start of our Rome residential trip, which is now well underway. The students and staff have arrived safely and are beginning what promises to be an exciting and memorable visit. The trip provides a fantastic opportunity to bring learning to life through experiences of history, culture and architecture in one of Europe's most significant cities. We look forward to hearing more about their experiences when they return.

As always, thank you for your continued support of the College.

Kind regards,

Ian Stoneham
Principal

Key dates this term:

- 11th March - Year 8 Options Evening - postponed until 15th April - see email sent today
- 27th March – Term ends
