

Extra-curricular Activities

Autumn 2026

BASSINGBOURN VILLAGE COLLEGE

At Bassingbourn Village College we encourage our students to explore their ideas and individuality and to develop their own interests outside of the classroom. To support this, we run a variety of extra-curricular clubs in PE and Creative Arts.

PE clubs change every term to ensure our students have the chance to explore as many sports as possible. In addition to clubs, our dedicated PE department ensures that Bassingbourn Village College participates in a full range of competitive sports.

Creative Arts clubs support students' growth in confidence, which can be witnessed throughout the year with a variety of performances, showcasing their achievements, their passion and progression.
