Parents & Friends Association

Autumn 2026

Who are the Parents and Friends?

The Bassingbourn Village College Parents & Friends Association (PFA) is a registered charity that supports Bassingbourn Village College students by buying needed equipment and supplies which school budgets cannot cover.

How do we fundraise?

We raise funds in a variety of ways. These include running specific events (e.g. quizzes), delivering online raffles and cash draws, selling sweets and treats after school (e.g. Fun Food Fridays) running licensed bars at school events (e.g. Creative Arts Show), hosting teas, coffees and cake stands at Parents Evening, Open Evenings etc, as well as receiving monthly standing orders, and donations via shopping at Easy Fundraising - plus using employer based donation schemes run through Charitable Giving and Benevity.

What have we achieved?

Each year the PFA raises thousands for the college from a variety of sources, including raffles and cash draws, a quiz, sales of donated pre-loved school uniform, corporate giving, Easy Fundraising shopping sales, tombolas, running licensed bars at school events, hosting teas, coffees and cake stands at Parents and Open Evenings and monthly giving via standing orders.

How do we spend the funds raised?

100% of funds raised are spent on Bassingbourn Village College. Each year the PFA raises thousands for the college from a variety of sources, including raffles and cash draws, a quiz, sales of donated pre-loved school uniform, corporate giving, Easy Fundraising shopping sales, tombolas, running licensed bars at school events, hosting teas, coffees and cake stands at Parents and Open Evenings and monthly giving via standing orders.
